INSTITUTION FOR SAVINGS OPENS NEW FULL-SERVICE HAMILTON OFFICE

Newburyport, MA – Continuing its growth along the North Shore, the Institution for Savings recently opened its fourteenth full-service retail office at 545 Bay Road in Hamilton, announced President and CEO Michael J. Jones today.

The brand-new building on the site of the former Hamilton Gardens features an attractive lobby with a stone fireplace, teller line, customer service and lending offices, drive-thru banking lanes and a 24-hour lobby ATM. Stone from the original Hamilton Gardens was used to build the fireplace and chimney while the wood ceiling from the original building was utilized to construct the lobby ceiling beams.

“We are thrilled to finally be a part of the Hamilton community,” said Mr. Jones. “Much like other cities and towns we serve, Hamilton is a small, close-knit community rich in history and tradition where we already serve a number of customers. We are pleased that we can now provide customers and others with a convenient location right at home and think our beautiful new building fits nicely into the neighborhood.”

Office Manager Jennifer Morgan and Assistant Manager Katie Burke is overseeing the new location and staff which includes Teresa Smith, Tricia Shamsuddin, Anne Davidson and Frances Wentworth. Residential Loan Officer David Collins will also be onsite by appointment. The office is open six days a week: Mondays, Tuesdays and Wednesdays from 8 AM to 5 PM; Thursdays and Fridays from 8 AM to 6 PM and Saturdays 8 AM to 12 noon.

“As a mutual savings bank, our true commitment to our communities extends far beyond profits,” Mr. Jones continued. “Our number one priority is to provide the very best products and customer service in our market. We are excited to bring this same pledge to Hamilton and the surrounding area, not just by offering competitive rates and the lowest fees but also becoming an integral part of the community through our charitable giving, community support and hopefully adding an educational office at Hamilton Wenham Regional High School.”
